Grußwort

Sehr geehrte Leserinnen und Leser!

Die Schallplattensammlung, die Enno Spielhagen seiner Heimatgemeinde Dudweiler hinterlassen hat, stellt ein einzigartiges Zeugnis der Unterhaltungsmusik der fünfziger und frühen sechziger Jahre des vorigen Jahrhunderts dar. Sie spiegelt nicht nur das Lebensgefühl dieser Epoche wider, die viele von uns noch in ihrer Kindheit erlebt haben, sie ist auch von musikgeschichtlichem Interesse, da sie Tausende von Unikaten enthält. Diese Schallplatten, die die Musikverlage als Sonderpressung zum Testen an den Rundfunkmoderator Enno Spielhagen geschickt haben, werden in diesem Buch erstmals aufgelistet.

Damit ehrt Dudweiler nicht nur einen bedeutenden Bürger der Stadt sondern kommt auch dem Wunsch seiner Frau Lilo Spielhagen nach, die Schallplattensammlung, soweit es möglich ist, zugänglich zu machen.

Denjenigen, die dieses Buch erstellt haben, spreche ich meinen Dank aus, und hoffe, dass es vielen, die an der Geschichte der Musik interessiert sind, von Nutzen ist.

Viele Grüße aus dem Dudweiler Rathaus

Grußwort

Tausende von Schallplattentiteln aufzunehmen und zu systematisieren ist eine aufwändige und arbeitsintensive Aufgabe, aber sie ist die Voraussetzung dafür, dass jemand von der Existenz dieser wertvollen Platten in der Sammlung Enno Spielhagens erfährt.

Das vorliegende Buch, das durch die engagierte Arbeit der Teilnehmerinnen und Teilnehmer des Projektes Dudweiler Dorf- und Stadtarchiv entstanden ist, zeigt, wie durch das Zusammenwirken unterschiedlicher Institutionen, Aufgaben im Interesse der Allgemeinheit gemeistert werden können, die sonst nicht lösbar wären.

Durch die Gemeinschaftsinitiative URBAN II der Europäischen Union und die Kofinanzierung der Arbeitsgemeinschaft des Stadtverbandes und der Agentur für Arbeit Saarbücken (ARGE) war es dem Ausbildungszentrum Burbach in enger Zusammenarbeit mit der Bezirksverwaltung Dudweiler der Landeshauptstadt Saarbrücken möglich, diese Maßnahme durchzuführen, die nicht nur der Öffentlichkeit die Schallplattensammlung Enno Spielhagens erschließt, sondern vor allem den Teilnehmerinnen und Teilnehmern neue berufliche Perspektiven eröffnet.

Einführung

Enno Spielhagen - Biographie

Enno Spielhagen, geboren am 16.9.1918, war in der Nachkriegszeit Kriminalassistent der Kripo in Göttingen.

Seine Rundfunklaufbahn begann er in den frühen 1950er Jahren als Nachrichten-Sprecher beim Hessischen Rundfunk in Frankfurt am Main.

Nebenbei wirkte er bis 1958 als Sprecher in verschiedenen Werbespots mit:

10.01.1954: Produktgruppe Kölnisch Wasser 4711

"Hier spricht Köln" und "Wir sprachen aus Köln"

(Spielhagen als Sprecher für die Firma Mühlens)

12.07.1956: Produktgruppe „Africola und Bluna“

(Spielhagen als Sprecher für die Firma Blumhoffer; Tonstudio Frankfurt)

Ab Herbst 1958 wurde Enno Spielhagen als ausgewiesenen Musikkenner von Camillo Felgen für Radio Luxemburg engagiert.

Camillo Felgen war im April 1958 von Radio Luxemburg zum Leiter und Chefsprecher des neu aufzubauenden deutschen Radioprogramms geholt worden. Am 6. April 1958 gab es die erste „Hitparade“ und schon nach kurzer Zeit waren „Die fröhlichen Wellen“ in ganz Europa bekannt.

Man präsentierte einen ungewohnt lockeren Sprachstil und betrat damit absolutes Neuland in der deutschen Rundfunkszene. Nach dem Motto: „Reden wie einem das Herz gewachsen ist“ formulierte Camillo Felgen den Umgang mit den Hörern so: „Der Hörer wird direkt angesprochen, er darf auch am Geschehen hinter den Studio-Kulissen teilnehmen und kann - wie er möchte - je nach Humorlage mit den Moderatoren schmunzeln, gieren und lachen.“ Diese etwas andere Art der Höreransprache war sensationell und verbreitete sich in Windeseile. Später gingen die Rundfunkanstalten in Deutschland darauf ein und machten es den Luxemburgern nach. Zum persönlichen Umgangsstil zwischen Hörern und Moderator gehörte es auch, dass die Moderatoren nur mit Vornamen angesprochen wurden.

Das Pseudonym "Franz" entstand durch die Zuhörerreaktionen auf seinen Satz: "Wenn ihr beim Jazz Schularbeiten machen könnt, heiße ich Franz."

Spielhagen links im Bild mit Brille, oben Camillo Felgen, dazu Annemarie, Annelie und Dorothee

Spielhagen moderierte bei Radio Luxemburg außerordentlich beliebte Sendungen wie:

„Sieben Fragen stellt der Franz“, eine Musik-Ratesendung mit Gewinnen

„Auch darauf antwortet der Franz“, die Antwortsendung zur obigen Fragesendung

„Wir machen „Café“-Musik, wir vom Caféquartett“; dabei bedeutete „C“ Camillo, „A“ Annelie,

„F“ Franz und „E“ Elisabeth.

In zahlreiche Zuschriften auf den Webseiten von RTL und Camillo Felgen schwärmen die Hörerinnen und Hörer von damals von Spielhagens Moderator-Fähigkeiten:

„Ich denke da an einen Luxemburger Feiertag, gerade an einem Tag, da Franz die Auflösungen seiner letzten Sendung und die Gewinner bekannt geben wollte. An einem solchen Sendetag trudelten normalerweise die meisten Briefe ein, denn zwischen Frage- und Antwortsendung lagen durchwegs nur drei Tage Abstand. Als er an diesem Mittag in sein Postfach blickte, wurde Franz blass. Es war leer! [...] Endlich fand sich die Lösung: Luxemburger Feiertag, die Post war nicht geöffnet, der Hausbote hatte frei. Es gab keine Möglichkeit, an die Briefe und Karten zu kommen. In vierzig Minuten aber begann die Sendung. Franz musste die Hörer auf seine nächste Sendung vertrösten und irgendwie eine Notlösung finden. Improvisation ist eben alles – und das ist gut so, denn erst in der Improvisation zeigt sich der Meister. Ein alter Funkhase sagte mir einmal: „Manuskripte schreiben und nachher vor dem Mikrofon ablesen, das können viele. Aber aus dem Stegreif reden, so, wie ihnen der Schnabel gewachsen ist, gleichzeitig aber auch so, dass jedes Wort sitzt, ist eine Kunst“.

„Der Franz von Radio Luxemburg war mein Schwarm. Der hatte soviel Charme in der Stimme und wusste, wie er die Hörer zum Zuhören bewegt, dass ich dachte: „Das möchte ich auch können“ (Eine Sprecherin vom WDR)

„An "Franz" kann ich mich sehr gut erinnern, er hieß eigentlich Enno Spielhagen (...) Die Ratesendung war klasse (...) ich erinnere mich da an eine Gruppe aus Mülheim a. d. Ruhr, die ganz einfach ALLES wusste.

Ansonsten versuchte "Franz" auch Unabhängigkeit als Discjockey zu bewahren und er kritisierte auch bekannte Interpreten sehr hart. Auch versuchte er, junge und unbekannte Künstler zu protegieren, wenn die Qualität stimmte.“

Spielhagen war in seiner Zeit bei RTL nicht nur als Moderator tätig. Er nahm auch einige Schallplatten auf:

Von Mir Zu Dir / Ich Denk An Dich

Ariola 35 268 A D

Es Kommt Nur Darauf An / Jan, Oh Jan

Decca D 19 070 D

So Oder So Ist Das Leben / Kein Zuhause

Decca D 19 110

Im Jahr 1964 holte der damalige Chef des Saarländischen Rundfunks Richard Krüger „Franz“ aus Luxemburg, als am 1. Januar mit der Europawelle Saar begonnen wurde.

Sein Name wurde in „Franz Enno Spielhagen“ umgeändert, da man bei der Europawelle Saar nicht mit Vornamen arbeiten wollte und sein Pseudonym „Franz“ konnte man nicht weglassen, da Spielhagen eine große Hörerschaft von RTL nach Saarbrücken mitbrachte.

In der Hauptabteilung „Kultur“ arbeitete Spielhagen neben seiner Tätigkeit als Moderator und Discjockey für die Unterhaltung auch als Sprecher.

Er moderierte Quizsendungen, Ratespiele mit Gewinnen, Wunschsendungen wie

„Guten Abend, liebe Hörer“, „Schallplatten kritisch betrachtet“, „Die 7 Fragen“

Zuweilen moderierte er die Fernsehsendung „Zu Gast im Studio“.
Schließlich wirkte Spielhagen auch als Sprecher in Hörspielen mit:

„Mord im Nebel“, eine Produktion des SR 1969

„Die Dame ist leichtfertig“, eine Produktion des SR 1971.

1973 gab es eine Programmreform mit einem neuen Konzept „Radiomuseum“. Sprecher war Spielhagen. Es war eine Sendung mit O-Ton zum Beispiel zu historischen Ereignissen. Es musste jeweils das Jahr geraten werden und dazu gab es Unterhaltungsmusik aus dieser Zeit.

Er konnte nur wenige Folgen dieser Sendung verwirklichen da er Anfang April 1973 erkrankte.

Am 12.4.1974 verstarb Enno Spielhagen im Alter von 55 Jahren.

Die Plattensammlung

Spielhagen hatte Zeit seines Lebens all die Schallplatten, die er von Berufs wegen aus den verschiedensten Quellen bezog, gesammelt und so einen wahren Schatz an Tondokumenten zusammengetragen.

Die meisten seiner Radiosendungen bestritt er mit seinen eigenen Platten.

Seine Ehefrau Lilo hatte all die hereinkommenden Platten sorgfältig registriert, sodass die Sammlung nach Titeln und Interpreten, teilweise nach Schlagwörtern katalogisiert ist. Spielhagen konnte so gezielt Musiktitel zu seinen Fragen in den Quizsendungen stellen. „Sieben Fragen stellt der Franz“ bei RTL und „Die 7 Fragen“ bei der Europawelle Saar waren legendär und sogar in Übersee bekannt.

Die Plattensammlung umfasst:

228 Schellackplatten aus der deutschen Unterhaltungsmusik der 1940er und 50er Jahre.

Eine große Zahl Langspielplatten und Singles aus der deutschen und internationalen Unterhaltungsmusik der 1950er bis 70er Jahre.

4147 Singles aus der deutschen und internationalen Unterhaltungsmusik von 1954 bis 1965 – zum größten Teil so genannte unverkäufliche Demos. Von Spielhagen vermutlich nach seinem Vornamen Enno als „E-Platten“ gekennzeichnet.

Diese letzte Gruppe der Platten stammt aus Spielhagens Zeit bei RTL. Es handelt sich um so genannte Platten zur Bemusterung: Schallplattenfirmen weltweit belieferten Redakteure und Moderatoren der Radiosender mit ihren Neuerscheinungen zu Werbezwecken, darunter also auch Platten, die in Deutschland selbst nie auf den Markt kamen.

Im Jahre 1983 vermachte Lilo Spielhagen ihrer Heimatgemeinde Dudweiler – Enno und Lilo Spielhagen waren Dudweiler Bürger – neben sämtlichen Schallplatten auch alle Aufzeichnungen nebst Originalaufnahmen, Künstlerbiographien, Sendelaufplänen, Manuskripten und Ähnlichem. Es wurde festgelegt, dass die Sammlung auf Dudweiler Boden verbleiben und niemals auseinander gerissen werden dürfe. Außerdem müsse sie der Öffentlichkeit zugänglich gemacht werden.

Die E-Platten wurden wegen ihres besonderen musikgeschichtlichen Wertes im Rahmen des Projektes DuDoStAr aufgenommen und sind in folgenden aufgelistet.

Nach der von Enno Spielhagen vergebenen E-Nummer ist die Plattenfirma und das Label, unter dem die Platte erschienen ist verzeichnet. Falls vorhanden werden das Erscheinungsjahr und der Vertriebsvermerk angegeben. Es folgen Titel und Interpreten der A-Seite und falls vorhanden, der B-Seite.
